Data Entry   04/2024 – 12/2024
Arcstore   Mumbai, India

EDUCATION

Bachelor of science (computer application)   07/2025 – Present
VIKAS COLLEGE OF ARTS COMMERCE & SCIENCE   mumbai

PROJECTS

Forever (ecom.web)
Developed a full-featured eCommerce website, Forever, using the MERN stack (MongoDB, Express.js, React, Node.js). Implemented secure authentication, payment integration, and an optimized shopping experience. Deployed the backend and frontend for seamless performance. Ensured responsive design and user-friendly navigation.

Zerodha (clone)
Developed a Zerodha clone using React, replicating core trading functionalities with a sleek UI. Focused on performance optimization and responsive design. Ensured a seamless user experience

Real Estate
Developed the frontend of a real estate website using modern web technologies. Designed a responsive and visually appealing UI for property listings and searches. Ensured smooth navigation and user-friendly interactions. Focused on performance optimization and intuitive user experience.

INTERESTS

Cricket | Online games
